5×1		and JJH proposed that the group have regular meetings, bi-weekly, beginning the week of 4 January. Initially, there will has systems briefings to bring all members up-to-speed on the EOI system suggested that NPIC should also be part of this briefing updating cy tell the group what NPIC has done in EOI planning. JJH also made that NPIC would be examining and seeking guidance on the data bank a reporting techniques to be used in the EOI readout system.	be some m. JJH ycle to he point
